

Technosoft developed a PHR, Personal Health Record, system for Emergency Hospitals arm of the Baptist Health of South Florida. The PHR allows small emergency hospitals across south florida to ID patients using a Patient Health Record Card.

The Data in PHR is saved in secure fashion and is conveniently available for Emergency response personnels. This is a .Net/PHP based solution with QR code reader in encryption and other frameworks.

About Technosoft

Technosoft is an ISO 9001:2008 certified company with 10 years of Healthcare software development and integration experience. We are CMMi ML2, a Microsoft Certified Partner and an IBM advanced business partner.

Our solutions help care-givers provide quality patient-care. We have created applications for hospitals, pharmacies, physicians, patients, and manufacturers.
