

HealthSlate Android Tablet App

Healthslate Diabetes Educator Solution has been deployed at around three thousand educators across the country. This HealthSlate solution is delivered prepackaged in an Android tablet for Diabetes Educators with required tools and videos for patient education. The front end is a native Android and backend is jsf, hibernate, on Amazon's AWS and S3 environment.

Technology & Achievements:

- Native Android App for Tablets
- Integration with MixPannel
- Integration with Amazon S3
- Integration with UPS
- Integration with GoodRX
- Data is saved offline and sync with server securely; no data loss even if Internet not available

About Technosoft

Technosoft is an ISO 9001:2008 certified company with 10 years of Healthcare software development and integration experience. We are CMMi ML2, a Microsoft Certified Partner and an IBM advanced business partner.

Our solutions help care-givers provide quality patient-care. We have created applications for hospitals, pharmacies, physicians, patients, and manufacturers.
