

PatientTrac HL7 Interface

PatientTrac's Practice Management application is designed to assist the physician in establishing and following an effective workflow in a medical facility. Technosoft worked to Interface PatientTrac with HL7.

Features and benefits:

- Multi-provider, multi-facility schedule
- View by day or by week, with multiple facility locations
- Ability to select providers on the scheduling screen to compare schedules side by side
- Each encounter becomes a complete claim with CPT and diagnosis; no separate coding is needed
- 5010 electronic insurance billing
- Complete patient billing and invoicing

About Technosoft

Technosoft is an ISO 9001:2008 certified company with 10 years of Healthcare software development and integration experience. We are CMMi ML2, a Microsoft Certified Partner and an IBM advanced business partner.

Our solutions help care-givers provide quality patient-care. We have created applications for hospitals, pharmacies, physicians, patients, and manufacturers.
